Practice Questions:

(See attached sheet)

These are very easy questions that the child can practice before the event. During the event, the announcer will ask your child two/three of these questions so make sure you practice all of them.

Parent/Guardian Participation:

All parents/guardians are required to help with decorating the float. It takes a lot of time and effort to get all of this done in a short period of time. A parent or guardian is required to be at all of the scheduled practices. This is to ensure you know what is planned and so that you are able to practice with your child at home. If you are unable to make a practice please let me know in advance.

Parade Participation:

All contestants will be entered into the parade. We also ask that a parent or guardian walks in the parade alongside the float to carry their child's picture banner and to help keep everything under control. The parent/guardian may hand out candy, the girls won't be able to throw from the float due to safety concerns.

Parade Liability Form:

(See attached form)

This must be signed and turned in by the parent/guardian at the first meeting.
